

## The Gift Of The Holy Ghost

The gift of the Holy Ghost adapts itself to all these organs or attributes. It quickens all the intellectual faculties, increases, enlarges, expands and purifies all the natural passions and affections; and adapts them, by the gift of wisdom, to their lawful use. It inspires, develops, cultivates and matures all the fine-toned sympathies, joys, tastes, kindred feelings and affections of our nature. It inspires virtue, kindness, goodness, tenderness, gentleness and charity. It develops beauty of person, form and features. It tends to health, vigor, animation and social feeling. It invigorates all the faculties of the physical and intellectual man. It strengthens, and gives tone to the nerves.

In short, it is, as it were, marrow to the bone, joy to the heart, light to the eyes, music to the ears, and life to the whole being.

In the presence of such persons, one feels to enjoy the light of their countenances, as the genial rays of a sunbeam. Their very atmosphere diffuses a thrill, a warm glow of pure gladness and sympathy, to the heart and nerves of others who have kindred feelings, or sympathy of spirit.
